1. Directly on his return from Paris, the Governor General of Morocco, ~~Attense~~ Juin, was received by the Sultan for an audience during which the General took occasion to outline certain concessions the French Government is now prepared to make in answer to Nationalist demands. Those surrounding the Sultan have not divulged the nature of the proposed reforms, but it is taken as a good sign that the Sultan feels encouraged for the first time since his heretofore strained relations with the General began.
2. The Sultan has received Mohamed Hassan el Ouazzani, ~~Shura~~ party chief, who has to a certain degree succeeded in re-establishing himself in the monarch's good graces. El Ouazzani was previously out of favor because of his close connections with the French Residency.
